G.O.Ms.No. 1445, Dated 19th March 1949.

Read the following:-

From Sri D.G. Kothari, Madras, dt. 28-2-1949.

ORDER:

The Madras Cotton Licensing Order, 1949, applies to foreign cotton. Clause 7 of the Order prohibits mills from having in their possession a quantity of cotton which would reasonably be required by them for manufacturing yarn during the next six months and also requires mills having in their possession cotton in excess of the permitted quantity to report forthwith the fact to the licensing authority and to take such action as to the disposal thereof as the licensing authority may direct. Mills normally stock cotton for the whole year and the application of clause 7 to mills having stocks of foreign cotton will cause undue hardship. The Government therefore direct that the Collectors obtain the orders of the Government before issuing any directions for the disposal of foreign cotton with the mills in excess of the permitted quantity.

2. Form C, the fortnightly return of stocks receipts, deliveries prescribed under the Order is not suitable for submission by mills having in possession foreign cotton. The form will be suitably amended.

3. The appended notification will be published in the Fort St. George Gazette in English dated the 22nd March'49 and in Tamil, Telugu, Malayalam, Kannada and Hindustani in subsequent issues of the Gazette.

4. The Superintendent, Government Press is requested to send 6 copies of the Notification to the Senior Translator to the Government. The Senior Translator is requested to furnish translations of the Notification in the language specified in paragraph 3 above direct to the Superintendent, Government Press for publication in the Gazette.
